

STORYBOOK LAND VISITOR CENTER

BUY-A-BRICK

Make your name a part of history.

THE PLAN

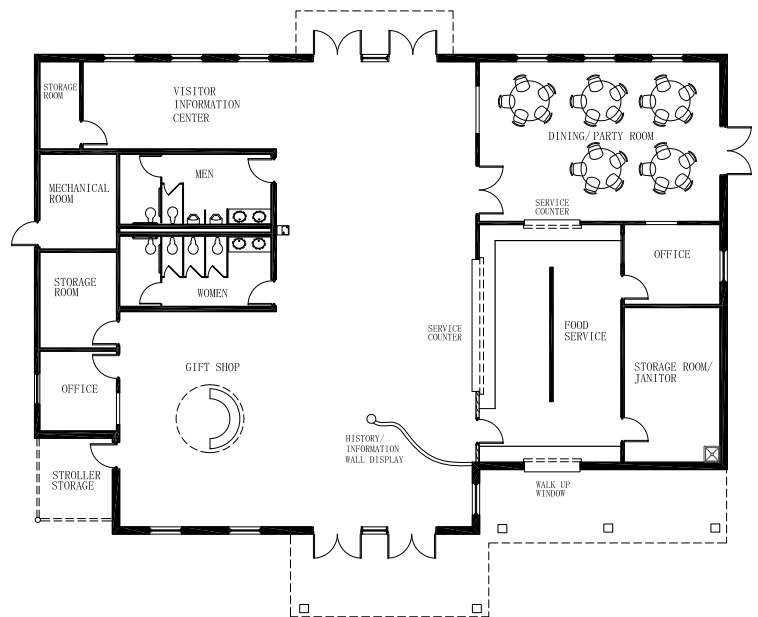

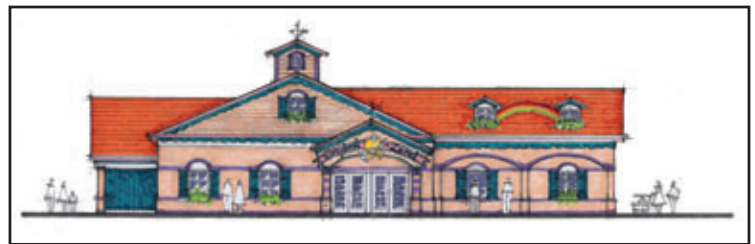

There will be many benefits as a result of constructing a new center. The Visitor Center will be a focal point for visitors entering the park and will serve as a valuable asset to the park. The project includes developing a plaza area at the entrance of the Visitor Center and an outdoor picnic patio adjacent to the food court. The Visitor Center will be 4,000 square feet in size. The estimated cost to construct the entrance plaza, Visitor Center and picnic patio is \$900,000. The goal is to conclude the fund raising in the spring of 2009 and construction will begin in the fall and the center will open in the spring of 2010.
